## CBRE | Richmond Donates \$40,000 to Navy SEAL Foundation in Inaugural Event

Richmond, Va. – May 15, 2017 – CBRE | Richmond is pleased to announce that the \$40,000 raised at the First Annual CBRE | Richmond Outdoor Challenge held on March 27 & 28, 2017 at Conservation Park of Virginia has been donated to the Navy SEAL Foundation.

“All of us at the Navy SEAL Foundation are so grateful to CBRE | Richmond for their outstanding support of SEALs and their families through the Outdoor Challenge event,” said Robin King, Navy SEAL Foundation CEO. “This generous donation will go a long way in supporting critical programs for the men, women, and families of Naval Special Warfare—programs that make a difference on the frontlines as well as at home. Thank you to all who participated, sponsored, and donated.”

The CBRE | Richmond Outdoor Challenge is a series of field sporting events for Richmond business leaders to socialize while benefitting a great cause over the course of two days. Events included five-stand, wobble, handgun, archery, and precision rifle courses. Approximately 120 participants attended the event over the two days.

“Our goal was to create a fundraiser that was different from your typical client or networking event,” said Tom Vozenilek, executive vice president. “The Outdoor Challenge got people out of their offices, out of their comfort zones, and together for an amazing cause while spending time with retired SEALs.”

The CBRE | Richmond Outdoor Challenge will be held again in 2018. Potential sponsors may contact Tom Vozenilek or Vera Magdeeva at 804-320-5500.

### **About The Navy SEAL Foundation**

The Navy SEAL Foundation's mission is to provide immediate and ongoing support and assistance to the Naval Special Warfare (NSW) community and its families. U.S. Navy SEALs have been in sustained combat for over 16 years, performing hazardous work in unforgiving environments at an unrelenting pace. SEALs are currently deployed in over 30+ countries across the globe and spend up to 270 days each year in harm's way. The Navy SEAL Foundation stands behind these warriors and their families by providing a comprehensive set of programs specifically designed to improve health and welfare, build and enhance resiliency, empower and educate families and provide critical support during times of illness, injury or loss. Like the community it serves, the Foundation is a solid, high performing organization committed to excellence. 93 cents of every dollar donated goes directly to current or future programs. This year, the Navy SEAL Foundation received its 5th consecutive 4-star rating from Charity Navigator, a top charity watchdog, for sound fiscal management and commitment to accountability and transparency (top .6% of all rated charities).
